

The logo consists of a stylized leaf on the left and a book on the right, both rendered in a thick, black, outlined font. The leaf has three main lobes and a central vein. The book is shown from a three-quarter perspective, with its spine on the left and its pages on the right. Below these two elements, the word "LOWVIE" is written in a bold, black, outlined, sans-serif font. The entire logo is enclosed within a circular border, which is a solid line on the outside and a dashed line on the inside.
